## Mother's Day Workshop and Comic Relief 2015

This Friday is **Comic Relief**. For a £1 donation to **Comic Relief** the children are welcome to come to school in their own clothes for the day.

We would also like to invite our mums into school this Friday for our Mother's Day Event. Due to an increase in numbers attending our Christmas Workshop, we have changed the format for our Mother's Day workshop to enable our children and their families to spend more time together. Dads and other family members are also welcome to come and celebrate Mother's Day with us—the more the merrier.

During the morning you will be able to take your child/ren into our six classrooms and the hall to complete various craft activities related to springtime. Some of these crafts will then be used to transform our Winter Wonderland into a Spring Wonderland. A detailed plan for the day will be sent home on Thursday evening for you to choose what you would like to participate in on Friday morning.

The morning will include a chance to enjoy a cup of tea and a slice of cake in the hall from **10.30am** at our Bake Sale, which the Friends of Hampton College will be running. For a small price you can buy some homemade cake to go with your tea or coffee.

Donations will then be split between Comic Relief and our Friends of Hampton College PTA.

Any donations of cakes, biscuits and other treats, which we could sell at our Bake Sale, will be warmly welcomed by the Friends on Friday morning. You are also welcome to bring in any sweet donations before then via the school office.
