

It is hard to believe that September has already gone and October is here - it won't be long before we all start our preparations for the end of term events coming up in December. Reception have settled beautifully into their classes and are making new friends all the time at Hampton College. Year 1 and Year 2 are also having lots of fun with their learning and are excited about the term ahead. Please keep a lookout for information coming soon regarding establishing our PTA, parent volunteers at primary phase and lunchtime clubs for our children.

### Hampton Gardens Free School Bid...

As you may be aware Hampton Academies Trust has been named as the educational provider for the new Hampton secondary school at Hampton Gardens. If you haven't already done so, don't forget to sign up this weekend to support Hampton College's bid to open the new school at Hampton Gardens as a Free School. They are asking for parents/carers of Year 3 and 4 children to express their support for the project, in order to demonstrate local demand and community support to the Department for Education. Many existing Hampton parents will still choose Hampton College as their first choice, but the trust still needs your support on the petition, to help secure additional high quality secondary schooling in this locality. In future years, when Hampton College reaches capacity, the new school will provide much needed local school places for children in Hampton, Yaxley and Farcet. Signing up **does not commit you** to a choice about your child's education, but it will help the Hampton Academies Trust in their bid.

In order to make the deadline for the Department for Education, expressions of interest need to reach the college by the end of Tuesday 07 October. You can still sign up online up until midnight that day: visit our website for details.
