

I can't believe that February is already here and we are nearly at our next half term break. This week has been very exciting for the children (and staff) at primary phase, as we have had our first significant snowfall since the school opened and the children had an absolutely fantastic time playing in the snow at breaktime and enjoying a warming hot chocolate afterwards. There is also growing excitement around school about our first, Valentine's themed, disco on Thursday next week - there is still time to buy your tickets!! A massive thank you to our newly formed "Friends of Hampton College" PTA for all their hard work leading up to the disco. 

Paul Jones, Head of School (Primary Phase)

Sickness...

We are currently experiencing a high volume of illness in school at the moment. If your child becomes unwell and is unable to attend school please call and leave a message on 01733 246821. A message must be left each day that the child is absent. May we also remind you that if your child has suffered from sickness or diarrhoea, they should remain off of school for 48 hours after the sickness or diarrhoea has stopped to eliminate any spread of bugs to other children.
