

Welcome back to a brand new term. The children are back in the swing of things and have settled back into school brilliantly. Year 1 and Year 2 have visited the secondary phase drama department and watched an excellent performance by Year 10 drama students as part of their Theatre in Education project. We are also excited about the reintroduction of our clubs which will start this half term and run through to the end of the year. A letter with further information will follow next week. Here's to a productive spring term for everyone.

Paul Jones, Head of School (Primary Phase)

### Maths Workshops ...

Year 1 & 2 are again offering parents the chance to come into their child's class for an hour of mathematical fun alongside their child. There will be a chance to sample some typical mathematical activities and explore some useful resources. Younger siblings are welcome to attend.
