

Primary Phase Website...

If you haven't logged on to our website yet, please take a look at our new primary phase specific website www.hamptoncollegeprimary.org.uk. The website is optimised for hand-held mobile devices and tablets and so you can catch up our latest news, visit your child's class page or find relevant information and downloads in just a few clicks. We hope that the new website will provide our children and parents with an abundance of information but if you feel there is something missing, please let us know via your child's class teacher or by emailing the school office, (see below for our email address). We would also welcome any feedback from parents about the new website.

Parking at Clayburn Court...

The staff from Clayburn Court have politely asked if we could remind parents not to park in the Clayburn Court car park when coming to the school. The car park is privately owned and doesn't have a lot of space.

We did meet with members of the City Council before Christmas to discuss parking issues and will keep parents updated of any developments as and when they happen.

Goodbye and Good Luck...

We are very sorry to say that Miss Satt, one of our Y3 Teaching Assistants, left us last Friday as she is moving away from Peterborough. Miss Satt joined us last year and has worked with our current year 3 children for two years, having had a significant impact on them in that time. Miss Satt's sense of fun and enjoyment of her work will be fondly remembered and we'll miss her! We would all like to say an enormous Thank You to Miss Satt and we would like to wish her the best of luck for her future and look forward to her coming back to visit us all.

Hello and Welcome...

Last Friday we were very lucky to have appointed some new teaching assistants to Y3 and we look forward to introducing them to you all in the near future.
