Parking on Clayburn Road...

Please could we ask that parents use the designated car parking spaces in the car park when dropping children off or collecting them from school, instead of parking along Clayburn Road. The traffic along Clayburn Road gets very congested before and after school and by minimising parking along here it will make it safer for children crossing the road to get to school and hopefully improve the traffic flow as well. Traffic in Hampton is particularly bad around the start and the end of the school day, but please be patient if queueing in traffic as the safety of our children is our shared priority.

No Smoking Site...

We would like to remind parents, carers and visitors that Hampton College is a strictly no smoking site and that smoking in all areas of the College, including the car parks, is not permitted.

PTA Meeting...

The Friends of Hampton College Parent Teacher Association will be meeting on Wednesday 25 January at 6.30pm at Hampton College Primary. Any parents who are interested in joining the PTA are welcome to come along to this meeting. We look forward to seeing you there!

School Attendance Matters (SAM)...

Well done to Hedgehogs class who had the best attendance during the first 2 and a half weeks of this term.
