

Free 'Dr Bike' M.O.T check

At Hampton College Primary Tuesday 28th September

Dear Parent/Guardian,

On **Tuesday 28th September** during **Bike to School Week 2021**, Eric Schneider and Gemma Hughes, your Sustrans Bike It+ officers will be offering **FREE bike safety checks for your children's bikes**. We are also happy to look at parent and staff bikes as well. We will be carrying out minor adjustments, pumping tyres and possibly replacing brake cables or pads where necessary. The checks will take place throughout the day.

With Covid-19 precautions in place we will be disinfecting bikes before and after we work on them. We will be filling out our Dr Bike work sheets detailing work done on the bikes and will leave these attached to bikes so you can see what work if any we carried out. We would also ask that if you **DONT** want a bike checked please leave a note on it otherwise we will assume any bike parked at the school will be checked.

Regards,

Eric Schneider
Sustrans Bike It+ Office
